

Minutes of Meeting -Collieston Harbour Group on February 25, 2010.

Apologies	Susan Taylor
Attendees	Huib Attma, Andrew Cooper (Chairman), Lewis Cowie, Ewen Cowie, Trish Cowie, Iain Taylor.
Funding	<p>The bill for the work undertaken by Aberdeen Marine has now been paid in full.</p> <p>Huib reported that the grant of £7,500 from Aberdeenshire Council for Coastal Defence Work had not yet been received by the Community Council although he understood the transfer should be through by next week.</p> <p>Huib said that he been advised that there were at least two accounts that held small amounts of funds that had not yet been transferred to the Community Council Harbour account He will contact Ken Ingram to as to information on the outstanding accounts and to get them transferred.</p>
Harbour Works	<p>The bollard that was removed by Scottish Water has not yet been replaced. Andrew will get in touch with Andy Longmuir of Scottish Water in respect of the bollard and also as regards the painting of the lining.</p> <p>Andrew will get in touch with George Cameron of Aberdeenshire Council re material for handrails and ladder needing replacing on the pier.</p> <p>Andrew will also contact East Grampian Community partnership and Bell Ingram as there has been no recent response from them re grants.</p> <p>Lewis has acquired a quantity of hardcore for the “Boatie Shore” which was cleared from a site at Tesco, Ellon. The material will have to be transported from there and quotes are to be obtained for this work. Quotes are also to be obtained for the work required once the material has been delivered.</p>
AOCB	<p>Trish has started organising this year fun run in aid of pier funds.</p> <p>Andrew will publish the scale of charges for visitor car parking on the pier and for berthing of boats in a future issue of the Blether.</p> <p>Lewis requested that the Easternmost boundaries of harbour be ascertained and it was suggested that an appropriate time to undertake this would be when the committee inspected the pier once the weather improved.</p> <p>Lewis pointed out the surface of the pier needed urgent repair in places and it was agreed that a work party would be formed to do this once the weather was more suitable.</p>
Next Meeting	March 25, 2010 at 7.30 Collieston Community Centre.
