

Meeting of Collieston Harbour Group on 27 January 2011

Present	Andrew Couper (Chairman), Ewan Cowie, Lewis Cowie, Robin Mackie, Debra Storr, Susan Taylor and Trish Cowie
Apologies	. Roger Berl, Isabel Davidson, Iain Taylor
Fittings to the pier	There has been no progress on the procurement of the stainless steel. Andrew will speak to Roddy . Robin will speak to Wilkie Engineering re replacing the metal post holding one end of the barrier chain. .
Boatie Shore	Trish will organise a spread sheet showing the ownership of the boats on the boatie shore.
Income Generation	Trish and Sarah Mcpherson have suggested an Easter Egg Hunt . Trish is looking for more help to run the Collieston Challenge Fun Run in July. The group is hoping to have the parking metre in place by Easter. Once the spread sheet and the Information Board is up the voluntary contributions for use of the Boatie shore will generate some income. Lewis suggested a Fishing Competition. .
Signage	The group decided to narrow our efforts down to 2 signs. One for the Parking Meter and the other for the restriction of vehicular access to the Pier. An Information Board is also considered important to explain the fund raising aims.
Date of Next Meeting	24 February 2011 at the Collieston Community Hall at 7.30pm
