

Collieston Calendar 2007

CALL FOR PHOTOGRAPHS

Due to the success of the 2006 Collieston calendar we are looking for people to donate photographs for possible inclusion in the 2007 calendar.

We would like photos of the Collieston area covering spring, summer, autumn and winter scenes so we can match them to the months of the year.

Should your photo be selected you'll get a free calendar and the knowledge that your photo will be seen all over the world (last year's calendar went as far as New Zealand and Alaska).

The 2007 Collieston calendar will be on sale at Gala in July.

Closing date for photographs is April 1st 2006.

Photograph details

- Photographs can either be good quality prints (so we can scan them) or in digital format (JPEG or TIFF)
- Maximum 5 photos per person
- Taken in the Collieston area (Ythan estuary to Cruden Bay)
- Landscape (horizontal) orientation only
- Please name your photos and include your contact details

Please drop off or email your photographs to Colin, Ken or Jack. If you require further information please contact any of us (details below).

Please remember that we can only use 12 pictures in the calendar so don't be too disappointed if your photograph doesn't make it.

Thanks again for your interest and photos.
