

# JUNKATHON!

## Competition

This year's Gala Completion is designed to encourage people of all ages to share ideas for using household waste, typically packaging. People already use large plastic drinks bottles in the garden as cloches, or CDs as bird scarers, but here is an opportunity to get more inventive and creative.

Competitors should prepare their designs and submit them for judging on Gala Tuesday the 28<sup>th</sup> July between 6:00pm and 7.30 pm. They should be taken to the Village Hall, where they will be asked to complete a submission form (contact details and age if under 13 years old).

If any competitor is unable to submit their design during this time they should contact Council members to arrange an alternative.

Judging will take place on Gala Friday 1<sup>st</sup> August.

The results will be announced after the Gala Quiz, and awards will be given to those submissions that have shown they are particularly **Creative/Artistic, Useful, Inventive, and Unusual.**

The entries will be photographed and published on the Collieston website to inspire us all!
