

INVITATION TO OUR CELEBRATION GARDEN PARTY
SLAINS SCHOOL JUNE 20 1.30 - 3.30

Slains School has a wonderful new extension and are holding an Opening on Saturday 20th June.

Everyone is welcome to join us at our Garden Party to celebrate this **BIG DAY** for Slains children, families and staff.

The school had become too small - we could hardly fit everything in. There just wasn't enough space. Construction started building work on the 10th of November 2008 and it was all finished by June 2nd when we moved in. There is a new big classroom, a staff room, a disabled toilet, a store room and a cloakroom. But come and see for yourself!

We are very pleased with the new building and we hope it will play a big part in our future.

From all Slains School Pupils and Staff: written by Thomas and Kerry
